

HOT PICKLES

standard tuning

Here's how to make a delicious batch of hot pickles (hot pickles)
First you have to wait by the phone in late July
Pick the phone up when the ringer chimes, and if Aunt Barbara's on the line
That's when you know it's time for making hot pickles (hot pickles)

Here's how to get the stuff for making hot pickles (hot pickles)
You go to the farmer's market just down the road
Pick out your peppers and your little cukes, and if Aunt Barbara says "those'll do"
They're the right ones to use when you're making hot pickles (hot pickles)

CHORUS:

You get the Hot Banana (Hot Banana)
Jalapeno (Jalapeno)
Thai Pepper (Thai Pepper)
You get a big bunch of garlic, then
You add the Habanero (Habanero)
If you dare-o (If you dare-o)
You throw in the vinegar and pickling salt
And teach your tongue to do a somersault

Here's how to pack the jars when you're making hot pickles (hot pickles)
Clean up the veggies and boil up the brine
Slice up the peppers but be advised it's hard to make pickles with your hands on
fire
So please wear a pair of gloves when you're making hot pickles (hot pickles)

CHORUS:

Here's the right sound to make when you're eating hot pickles (hot pickles)
Pop off the lid and get a pickle from the jar
Take a big bite and when you start to chew
You go HA HA HA and HOO HOO HOO
That's the right sound to make when you're eating hot pickles (hot pickles)

Take a big bite and when you start to chew
You go HA HA HA and HOO HOO HOO
That's the right sound to make when you're eating hot pickles (hot pickles)
Hot Pickles (hot pickles)
