

# CHURCH OF THE EARTH

tuning: dadgbd

The ceiling is high to let your soul rise  
Up to the angels who teach you to fly  
And when you're weary of clouds it helps you back down  
And welcomes you home to this hallowed ground

## CHORUS:

It's gilded in gold, gilded in rust  
For heaven below and heaven above  
The heaven we know here in this world  
Here in our holy church of the earth

And the windows are wide so darkness and light  
Mystery and beauty meet you inside  
And there's room enough to hold all of us  
Who gather in friendship, gather in love

## CHORUS:

Church of life, ancient and bright  
Life that inside us shines  
Life that we share, this is our prayer  
That we may always find  
The heaven we seek here at our feet  
Here in this sunrise, in this heartbeat

## CHORUS:
