

## YUKON SALLY

tuning: dgdgbd

Yukon Sally lives on the mountain side  
Yukon Sally, she likes to mountain climb  
She has a pack and an old canteen  
A hundred little things that she has seen  
And a hundred stories if you've got awhile

Helicopter Joe lives down the road a ways  
Helicopter Joe flies passengers all day  
Up to the highest peak around  
Takes a photograph and takes them down  
So they can verify their lofty claims

CHORUS: Joe calls Sally every now and then  
He says "come on Sally, have a little sense  
That mountain climbing is a silly waste of time  
I've got a way you can skip all that  
Get you to the top in minutes flat"  
Sally just shakes her head and smiles wide  
And says "I think I'd rather climb"

Joe sells rides to the hurries working class  
They want sights and they want to see them fast  
They say "this is nice and I hate to rush  
But we can catch a bite if we hurry up  
And maybe do the ocean after that"

Sally dallies in the scent of evergreen  
Cools her feet in a chilly mountain stream  
Stays outside when the sky grows dark  
Walks in time to her beating heart  
And meditates a moment at the peak

CHORUS:

She says "Joe, the climbing is half the joy  
You might reach the peak but that's not the point"  
Joe says "Sally, you're a mystery to me"
