

JUSTICE CHOIR

If you want to shout, want to right some wrong
You can sing about it in a righteous song
And if you want a way to raise your voice up higher
You can be a singer in the justice choir

If you are a citizen heavy of heart
You can take a tenor or an alto part
You can be a flame in a great big fire
You can be a singer in the justice choir, and

CHORUS:

Sing Out! Make a better world
Make a sound wave like a flag unfurled
Sing out like a liberty bell
Ring out the truth you tell
Sing Out! Make it be known
Sing like the trumpets of Jericho
Sing out at the tyrant's wall
Sing until the last brick falls

Sing about courage in the face of fear
Sing about light when the darkness nears
Sing about truth to the shameless liar
Sing about freedom in the justice choir

Sing about the weak in the halls of power
Sing about the earth in a desperate hour
Sing about the poor when the rich conspire
Sing about love in the justice choir

CHORUS:
