

# GITCHI GUMMI

tuning: cgcgce

Are you saying that the sky is wide?  
Are you saying that the sunlight likes to play  
Upon your waves?  
Are you saying that the time goes fast?  
Are you saying that my life won't last too long  
Before I'm gone

## CHORUS:

Gitchi Gummi, Gitchi, Gitchi Gummi  
Is there something that you're saying to me?  
You look a little bit like God almighty  
Such a frightening thing  
Keep on talking to me Gitchi Gummi  
I need a measure of your holy mystery  
Take me to your shore  
Set me down and pour  
Your mighty water over me

Are you saying I don't know too much,  
But if I don't know the earth is such a jewel  
I'm such fool?  
And are you maybe staring back at me  
Saying I am made of earth and water too?  
I'm just like you

## CHORUS:
