

JAMA DAY

standard tuning, capo 1 and 5 string capo 5

You can sleep till afternoon
Make some chocolate chip pancakes
Wake up with Einstein's hairdo
And let it stay that way all day

You can be an unclean slob
Skip the shower, skip the shave
As if you don't have a job
Not even a resume

CHORUS:
On Jama Day...

Eat food without inhibitions
Have an extra piece of cake
Pajamas have no restrictions
Thanks to the elastic waist

Save the town from the outlaws
On the reruns of Gun Smoke
With remote controls you draw
From the pockets of your robe

CHORUS

Wear your Scooby-Doo pants and
Sponge Bob socks
When you're walking to the mail box
Raising questions about your mental state
Helps to keep unwanted guests away

Read a book by Dr. Seuss
Play canasta, play ping pong
Make a list of things to do
Then do none of them at all
