

JAPANESE BOWL

standard tuning

I'm like one of those Japanese Bowls
That were made long ago
I have some cracks in me
They have been filled with gold

That's what they used back then
When there was a bowl to mend
It did not hide the cracks
It made them shine instead

So now every old scar shows
From every time I broke
And anyone's eyes can see
I'm not what I used to be

But in a collector's mind
All of these jagged lines
Make me more beautiful
And worth a much higher price

I'm like one of those Japanese Bowls
I was made long ago
I have some cracks, you can see
See how they shine of gold
