

TANDEM LIFE

drop D tuning: dadgbe

We'll have coffee in the mornings
And we'll always talk the time away
As we're watching the day dawning on the lake

We will wear skis through Januarys
Raincoats beneath rainy April skies
And we'll gaze at June upon a two-seated bike

CHORUS:

And when you move, I will too
I'll lean left, I'll lean right with you
Whatever road we ride
And I will love you in our tandem life

We'll have good friends and children
Two beautiful baby boys
We'll have laughter and sadness and joy

And we will fly these streets
When we find our feet
Turning right together in time
And I will be in your heart
And you in mine

CHORUS:
